REDACTED BY STATE DEPT. FOR PUBLIC RELEASE BY CONGRESS. NO FOIA WAIVER. UNCLASSIFIED U.S. Department of State Case No. O-2015-15055 Doc No. C05561911 Date: 10/13/2015 K: 1.4(D) S: We know that the attack in Libya had nothing to do with the film. It was a planned attack- not a protest. K: S: Your not kidding. Based on the information we saw today we believe the group that claimed responsibility ... K: S: We are trying to draw distinctions and communicate that we value our relationship with Egypt and Libya and that these incidents are not representatives of the governments as the videos that were produced here are not K: S: Yes sir. Our Ambassador in Libya was so involved in the liberation of Libya and was loved by so many there. He really was committed to the freedom of the Libyan people. That's why the President and I decided to send him into Benghazi early on, K: S: Thank you. I look forward to meeting with you and having further discussions. K: S: Thank you sir. K: Thank you.
